The feedback so obtained is analyzed with the help of various tools and techniques and arranged in the form of table 2. The responses of the students were taken on a four-point scale i.e. 1 to 4. The rating provided to various parameters is based on their mean scores and categorizes as follows: Excellent $(3 \le M.S. \ge 4)$, Very Good $(2 \le M.S. \ge 3)$, Good $(1.5 \le M.S. \ge 2)$ and Average (M.S. < 1.5).

It can be examined through the table 2 that students were satisfied with all the parameters i.e. 16 included in the Students satisfaction survey form as their mean score is greater than 3. The highest mean score was obtained by parameter 'Quality of Teaching-Learning Process i.e. 3.66 which indicates that most of the students were satisfied with the quality of the teaching-learning process and the efforts put in by teachers of college during the year 2019-20 and whereas the lowest score was obtained by the parameter 'Amenities provided at Cafeteria/Tuck-shop and others i.e. 3.11 which will further motivate us to enhance the services and amenities in the interest of the students.

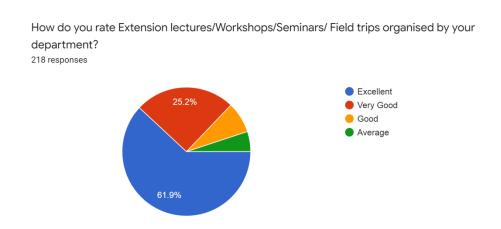

How do you rate the overall quality of Teaching-Learning process? 218 responses

The above pie chart shows the students satisfaction survey response on the question how do you rate the overall quality of teaching-learning process? Out of 218 responses, 73.4 percent students rated the overall quality of teaching-learning process as excellent. While 19.7 and 6 percent students rated the learning process as very good and good respectively. However the rating of average was given by 0.09percent students only.

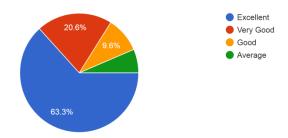

The above pie chart shows the students satisfaction survey response on the question how do you rate the Time-Table for your classes? Out of 218 responses, 61.9 percent students rated the overall Time-Table as excellent. While 27.1 and 8.3 percent students rated the Time-Table as very good and good respectively. However the rating of average was given by 2.7 percent students only

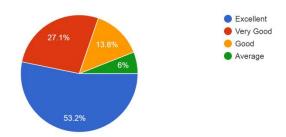

The above pie chart shows the students satisfaction survey response on the question how do you rate the Extension lectures/Workshops/Seminars/ Field trips organized by your departments? Out of 218 responses, 61.9 percent students rated the Extension lectures/Workshops/Seminars/ Field trips as excellent. 25.5 and 7.8 percent students rated the extension lectures/Workshops/Seminars/ Field trips by their departments as very-good and good respectively. However the rating of average was given by 2.7 percent students only.

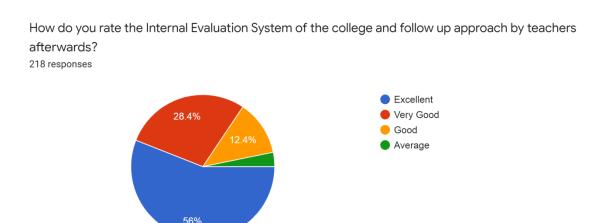

The above pie chart shows the students satisfaction survey response on the question how do you rate the Co-curricular activities/ Sports facilities? Out of 218 responses, 63.3 percent students rated the Co-curricular activities/ Sports facilities as excellent. While 20.6 and 9.6 percent students rated the Co-curricular activities/ Sports facilities as very good and good respectively. However the rating of average was given by 6.4 percent students only.

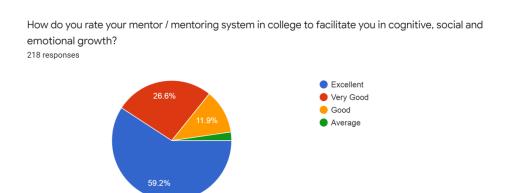

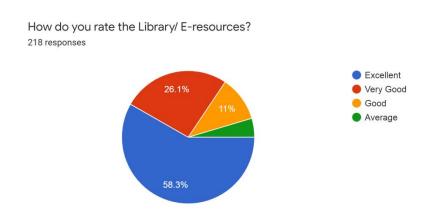

The above pie chart shows the students satisfaction survey response on the question how do you rate the quality of Laboratories/ Sports equipment and grounds? Out of 218 responses, 53.2 percent students rated the quality of Laboratories/ Sports equipment and grounds as excellent. While 27.1 and 13.8 percent students rated the quality of Laboratories/ Sports equipment and grounds as very good and good respectively. However the rating of average was given by 6 percent students only.

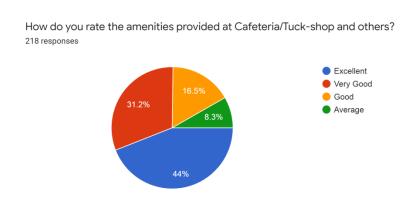

The above pie chart shows the students satisfaction survey response on the question how do you rate the Internal Evaluation System and follow up approach? Out of 218 responses, 56 percent students rated the Internal Evaluation System and follow up approach as excellent. While 28.4 and 12.4 percent students rated the quality of Internal Evaluation System and follow up approach as very good and good respectively. However the rating of average was given by 3.2 percent students only.

The above pie chart shows the students satisfaction survey response on the question how do you rate the Mentor / mentoring system in the college to facilitate in cognitive, social and emotional growth? Out of 218 responses, 59.2 percent students rated the Mentor / mentoring system as excellent. While 26.6 and 11.9 percent students rated the quality of Mentor / mentoring system as very good and good respectively. However the rating of average was given by 2.3 percent students only.

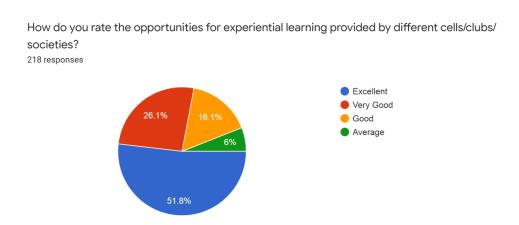

The above pie chart shows the students satisfaction survey response on the question how do you rate the Library/ E-resources in the college? Out of 218 responses, 58.3percent students rated the Library/ E-resources as excellent. While 26.1 and 11 percent students rated the quality of Library/ E-resources as very good and good respectively. However the rating of average was given by 4.6 percent students only.

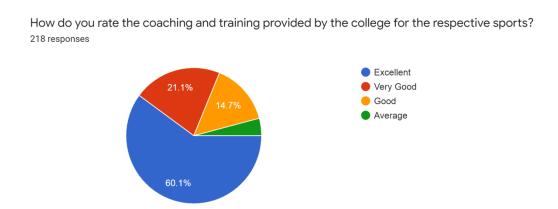

The above pie chart shows the students satisfaction survey response on the question how do you rate the Amenities provided at Cafeteria/Tuck-shop and others in the college? Out of 218 responses, 44 percent students rated the amenities provided at Cafeteria/Tuck-shop and others as

excellent. 31.2 and 16.5 percent students rated the amenities provided at cafeteria/tuck-shop and others as very good and good respectively. However the rating of average was given by 8.3 percent students only.

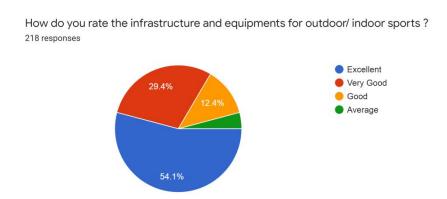

The above pie chart shows the students satisfaction survey response on the question how do you rate the Opportunities for experiential learning provided by different cells/clubs/societies in the college? Out of 218 responses, 51.8 percent students rated the Opportunities for experiential learning as excellent. 26.1 And 16.1 percent students rated the Opportunities for experiential learning as very good and good respectively. However the rating of average was given by 6 percent students only.

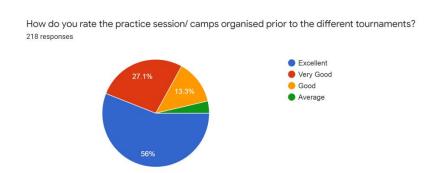

The above pie chart shows the students satisfaction survey response on the question how do you rate the Coaching and training provided in the college? Out of 218 responses, 60.1 percent

students rated the Coaching and training provided as excellent. 21.1 And 14.7 percent students rated the Opportunities for experiential learning as very good and good respectively. However the rating of average was given by 4.1 percent students only.

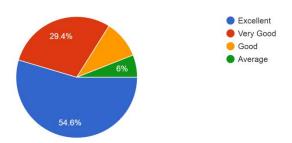

The above pie chart shows the students satisfaction survey response on the question how do you rate the Infrastructure and equipments in the college? Out of 218 responses, 54.1 percent students rated Infrastructure and equipments in the college as excellent. 29.4 And 12.4 percent students rated the Infrastructure and equipments in the college as very good and good respectively. However the rating of average was given by 4.1 percent students only.

The above pie chart shows the students satisfaction survey response on the question how do you rate the Practice session/ camps organized prior to the different tournaments in the college? Out of 218 responses, 56 percent students rated practice session/ camps organized as excellent. 27.1 And 13.3 percent students rated the Practice session/ camps organized in college as very good and good respectively. However the rating of average was given by 3.7 percent students only.

How do you rate the Yoga/ Meditation/ GYM facility to improve your fitness? $^{\rm 218\,responses}$

The above pie chart shows the students satisfaction survey response on the question how do you rate the Yoga/ Meditation/ GYM facility in the college to improve your fitness? Out of 218 responses, 54.6 percent students rated Yoga/ Meditation/ GYM facility as excellent. 29.4 And 10.1 percent students rated the Yoga/ Meditation/ GYM facility in college as very good and good respectively. However the rating of average was given by 6 percent students only.
