

Gender Sensitization Action Plan

The college is making every effort for uplifting women and for their empowerment and shows its commitment to make a positive difference in students' lives. Since its inception, policies are framed to promote diversity and make students aware about gender equality and address gender discrimination and social biases. Women Cell in tandem with other prominent cells such as- NSS, Youth Red Cross Cell, Red Ribbon Club, Legal Literacy Cell and others host a series of activities to address gender sensitization issues. These cells also conduct various programs along with civil society groups and generating dialogues to restructure social space around us. Eminent scholars and experts are invited to usher in awareness about various laws and regulations pertaining to dowry, marriage, property rights, sexual harassment and female feticide etc. Throughout the year, the college through its proactive faculty, its staff and students conducts and organises interactive sessions, workshops & events like Declamation, Essay Writing, Slogan Writing, Poster Making, Collage Making, Painting etc. in which students can actively participate, which enhances students' self confidence and shapes and grooms their personality for the future.

The college is marching ahead with the goal of providing a platform for sensitization & empowerment. Apart from involving the community in their outreach Programmes like gender sensitization, imbalance in sex-ratio, female foeticide, domestic violence, health awareness, environmental protection etc, students and teachers of "Dress Designing and Tailoring" and "Beauty and wellness" fine tune the skills of women folk in enhancing their entrepreneurship acumen.

Action Plan (2015-2020)

- Leadership quality among women to lead change is created.
- Social awareness about the problems of women and in particular gender discrimination is created. Creating Workshops on sensitization programs that promote diversity and gender-sensitivity among the Staff & Students are organized round the year.

- Self confidence of Women is developed and the attitude of questioning against injustice, oppression and fight against violation of their rights is inculcated among students.
- Students and staff are guided about Women Welfare Laws for creating awareness among one and all.
- Grievances and complaints on gender issues and other matters are dealt with properly and on time.
- Awareness is raised and faculty is trained to handle gender issues.
- Importance of spiritual, economic, social, racial and gender equality is asserted in total environment of the college.
- Multidisciplinary approach for the overall personality development is developed.
- Students' code of Ethics, Rules and Regulations and Service Rules, Policies and Procedures are properly framed and adhered to by the college.
- In classes, faculty members promote working together among students, fair representations in administrative committees is given to them for leadership roles.

International E-Workshop

An international E- Workshop on theme "Women Leadership Matters" was organised by college in collaboration with Government College for Women, Gohana today on 13-10 - 2020. Dr Jagbir Dahiya Associate Prof. at Shardhanand college (Delhi University) was the first key speaker who elaborated on 'Taking precautionary measures in Disasters' and focused on how to take safeguards in case of different types of Disasters. Second speaker Dr Jaswinder Singh, Principal at SGBT college (Delhi University) discussed on 'Empowering Women for Sustainable Development' and added that women are still ignored for their right on resources and to empower woman is to give her right to make her own decisions impacting her and her family, only that will make her empowered. Principal Dr (Mrs) Suresh Boora thanked the guests and said that thoughts shared by Dr Jagbir Singh on the occasion of International Disaster Reduction Day for the mitigation of losses of lives in case of occurrence of Disasters and by Dr Jaswinder Singh advocating for the gender equality as the basis for the sustainable development of a nation from all sides are the topics that assume significance in the current situation. Dr Dinesh Singh, Principal (GCW, Gohana) also thanked the speakers and endorsed the views shared by them. Programme was organised under the aegis of Women cell of both the colleges. Dr Parmila, Dr Namita and Dr Jyoti contributed for the successful culmination of the E-Workshop. 100 participants actively participated in this workshop.

Webinar on the topic- "Women Entrepreneur: A Catalyst to Change the World"

Date: 9 June, 2021

English Department and Women Cell of the College organised a webinar on the topic- "Women Entrepreneur: A Catalyst to Change the World". Mrs Sangeeta Lahoti, Director, Authentic India Pvt. Ltd. at Manesar (Haryana) was the resource person of the webinar. She elaborated on the topic by giving the instances of successful women who have proved their mettle in different fields they entered in. She motivated students to make their goal first and then make relentless efforts to reach to that. Obstacles will come their way but with strong determination they will tide over them. Students also discussed their individual goals with the resource person and way to achieve these. Principal Dr. (Mrs) Suresh Boora thanked the guest for her valuable insights and further added that women entrepreneurs not only significantly add towards the earnings of families but also contribute for the sustainable development of the nation that every nation needs today. She further added that students should develop their skills to start their own ventures and become job givers not the job seekers. Dr Seemant and Dr Parmila organised the webinar. Ninety Four students remained present with their active participation.
